

ABOUT CONFERENCE

The Global Thinkers Summit 2025 is a premier event organized by KU Home, Kasetsart University, Chatuchak, Bangkok, Thailand in collaboration with Conference World and IARDO. It aims to foster knowledge sharing, innovation, and collaboration across disciplines on a global platform.

ABOUT IARDO

IARDO (International Association of Research and Developed Organization), under India Educational Charitable Trust, is a distinguished academic platform that champions responsible research and sustainable academic practices. With its collaborations through Conference World, it has organized numerous national and international level conferences, all focused on social upliftment and knowledge innovation.
